My Guardian Ghost

I am only alive today because my father's ghost guided and protected me. You can therefore understand why I am so involved with research connected with the supernatural. I certainly am doing my best to get people to understand that there is another world beyond this one, that the human spirit or soul does continue to exist. And that under certain conditions it can return. But why I was chosen and saved - this I do not as yet understand. So perhaps it is best that I tell you the facts.

I was fourteen years of age when my father died in an automobile accident. We were wonderful buddies. He taught me how to swim, fish, ski, and play tennis. In spite of the fact that his business enterprises required a lot of his time. My father left home at 8:20 on that fateful morning. His car went out of control and it smashed at the bottom of the hill. Then burst into flames and he was cremated inside.

My father's closest friend, John Whitmore, at once did everything to help mother and myself. My mother gave him power-of-attorney and he took over my father's enterprises. I continued my schooling. A year later my mother told me the news.

"We do need a man around here. I want you to understand this. Your father is dead. The dead can't return. You also need the guiding hand of a good man. I am going to marry John Whitmore."

And it was that night, while I was in my bed that I saw the white figure in my room. First it was very small. Then it grew and grew in size. I heard a familiar voice speak.

"Do not be frightened my son. I am the ghost of your father. I came here to protect you. John Whitmore fixed my car so that the brakes would not work going downhill. He killed me. He wants to get control of my enterprises. He will marry your mother. He shall be punished. He will plan to kill you as soon as he learns about the patent trust I created for you. Do not worry. I will protect you."

With those final words the ghost vanished. Strange as it may seem to you, I was neither scared nor worried. Three weeks later the marriage took place. Then our lawyer told about the Hendon Patent trust. Those inventions were taken out of the business enterprises of my father and all profits put into a trust fund for me. When I became 21, I would get all the monies and profits.

A year later, the first attempt was made to kill me. My father's ghost appeared to warn me.

"You are going out alone tomorrow in your speed boat. But do not go more than ten knots an hour. John Whitmore tampered with the hull. At a great speed, the planks will come out from the bottom."

I followed my father's advice and showed no fear. All I know is that there was a peculiar expression on John Whitmore's face when nothing happened to either the boat or myself. I realized I wasn't safe in my own home. I told my mother I wanted to go abroad. So arrangements were made. And I had a wonderful time seeing the different countries and meeting various people. I was in Switzerland and met three men. They suggested mountain climbing. That night my father's ghost appeared.

"The three men were paid by John Whitmore to kill you. They will go tomorrow to make the final steps. But do not worry. They will never return."

Those three left the hotel early. At noon there was a landslide and they never came back. From Switzerland I went to Italy. Why? Because that morning there was a sealed letter in my room. In my father's handwriting. Telling me where to go. I went to see Dr. Mario Benzini, the great Italian Industrialist. He took me under "his wing." I remained with him until I was 21 and then returned home to claim my inheritance. One thing I sensed. My mother was very unhappy. The time had come for the showdown. I went into the library room and told John Whitmore everything. I could see he was a terribly frightened man. He ran out of the room. Went to the garage and got into his car.

As you probably know, he crashed - and was burned alive. I assume his punishment came from the other world. I am now 35 and married. I have never had a visit since from my father's ghost - My Guardian Ghost. I can understand why. He no longer needs to protect me. ••••••••

THE NIGHT OF THE LONELY MAN

THE VILLAGERS REMEMBERED HIS WORDS.... AND NONE OF THEM LIVING EVER WALKED ABROAD UPON THAT NIGHT, THE 7TH OF THE MONTH.
THE MURDER HAPPENED FIFTY YEARS AGO IN 1792 SURELY THE MURDERER MUST BE DEAD BY NOW!
HEH HEH HEH THE FOOLS

AH! A STRANGER VENTURES INTO MY DOMAIN!
IT'S TRUE ..IT'S THE 17TH OF THE MONTH. .. AND EVERY HOUSE IN THE VILLAGE IS DARK. GRANDFATHER WAS RIGHT.
EVEN THE INN IS DARK I HOPE THEY WILL LET ME INSIDE!
GO AWAY....WE HAVE NO ROOM!
OPEN THIS DOOR OR I'LL KICK IT IN, MISTER!
HURRY, YOU IDIOT ...HE'S COMING AFTER ME!

THE WEIRD SHUFFLING STEP KNOWN TO THE TERRIFIED CITIZENS OF OVBERSKI FOR GENERATIONS IS GROWING LOUDER NOW! INSIDE THE INN FRANZ SDRUBA FIGHTS DOWN HIS FEAR .. HE KNOWS ONLY TOO WELL WHAT THIS STRANGER'S FATE WILL BE.
HE . HE'LL MURDER ME ... AS HE DID THE OTHERS!
COME INSIDE, YOU FOOL!
SMASH!
FEAR HIM? THE LONELY MAN IS ANGERED AT BEING ROBBED OF HIS VICTIM.
IN GOD'S NAME WHY DO YOU LET THIS GO ON?
KRAASH
KRAASH

This free booklet tells you how you can break into Computer Programming

23,000 more programmers needed each year...get your basic training now!

...by training at home. Also FREE: Interesting sample lesson for you to try. No obligation.

Why don't you prepare for a career in programming? All it takes to start your training is a high school education and a logical mind. No machines are involved because a programmer does not operate machines. He writes the programs that tell the computers what to do.

Programmers are to be found in many types of business—in manufacturing, banks, department stores, communications, transportation, utilities. Trainees begin at good pay, and with the right background and experience can rise to fill supervisory positions at upper-level salaries.

Instead of worrying about how long your present job is going to last, you can plan for a bigger future in a growth field. Continuing expansion in the years ahead may result in more openings for computer programmers than there will be people to fill them!

Right now, without leaving your present job, you can prepare for a trainee position in computer programming. A position that may open up many opportunities for you—in the exciting world of tomorrow.

You can study computer programming with LaSalle at home, in your spare time. Experienced LaSalle instructors will teach you by mail—correct and grade your lesson assignments. You will receive basic instruction in the nature, hardware, vocabulary, equipment and techniques of computer programming.

Send for free sample lesson and fascinating booklet "Beginning Your Career in Computer Programming." In simple, non-technical language this booklet tells you what computer programming is; what the programmer does; and how you can get your basic training in your spare time. LaSalle, 417 S. Dearborn Street, Chicago, Illinois 60605.
